NNO IN WVC

Utah's Largest National Night Out

Dear Community Partner:

Throughout the month of August, West Valley City will PROUDLY join thousands of communities nationwide for the **35th** annual National Night Out crime and drug prevention program. In 2017 we estimate that over 10,000 residents participated in events hosted by the City or held in neighborhoods. The City sponsored, planned and hosted two safety fairs and one community-wide party. Additionally, forty known block parties were held in various neighborhoods around the City. Finally, the City was involved in multiple neighborhood watch meetings, trainings and public speaking engagements. For **14** consecutive years the National Association of Town Watch has recognized West Valley City as a National leader for communities with populations between 100,000 - 299,000. A list of the 2018 events being planned are included on the next page.

2017 was an amazing year. Community sponsors graciously stepped forward to support these events making this West Valley City tradition even stronger! With continued support of community-conscious sponsors, the West Valley City National Night Out program will provide meaningful crime prevention education opportunities to the residents of West Valley City and help build stronger neighborhoods in our great community. In the following pages of this sponsorship packet you will find detailed information about how you, as a sponsor, can receive maximum benefits and exposure.

Thank you for your time and consideration of this opportunity.

Sincerely,
Craig D. Thomas
Neighborhood Services Director
